01

Focus on practical application of skills, learnt, applied and practised

06

Improving the learner's confidence, attitude, knowledge and skills are critical

05

Edge ensures that the learners are engaged and receptive to training

02

Knowledge sharing and team learning form part of Edge's unique training methods

03

Programmes are flexible and easily adaptable to suit the various learning styles

04

Interactive sessions include group discussions, case studies, Q & A sessions and role-plays

COURSE METHODOLOGY

OBJECTIVE

By the end of this course you will have identified your own personality type as well as the diverse number of personality types within your organisation. You will be able to identify the key components of a winning team and how the application of these components brings about success. Upon self-reflection of your role within your team and completing and analysing a self-evaluation, you can only improve and add value to any team that you are or will be a part of.

EDGE TRAINING CONSULTANCY

With over 18 years of Human Development training experience, Edge Training has a Level 2 BBEE Scorecard, a National Footprint and Full Accreditation with Services SETA. Together with our BEE partners, we are committed to solving BEE related Skills Development Challenges in a meaningful way. Whether an Accredited Short Course, a Behaviour Changing Workshop or a Learnership, our highly skilled and dedicated team can offer you a solution. We source the learners and manage all the necessary requirements for disabled and unemployed learnerships. Most of our learnerships and Workshops are also offered as online courses.
