 - Telephonic Communication
 - E-mail Communication

01

Focus on practical application of skills, learnt, applied and practised

06

Improving the learner's confidence, attitude, knowledge and skills are critical

05

Edge ensures that the learners are engaged and receptive to training

COURSE METHODOLOGY

02

Knowledge sharing and team learning form part of Edge's unique training methods

03

Programmes are flexible and easily adaptable to suit the various learning styles

04

Interactive sessions include group discussions, case studies, Q & A sessions and role-plays

OBJECTIVE

By the end of this course you will understand the process of communication, from the key elements involved to the barriers that prevent effective communication as well as being able to identify the qualities found in an ideal communicator. You will be able to evaluate conflict and carry out the necessary steps to resolving and finally with a focus on written communication your construction of business letters, e-mails and reports will be greatly improved.

EDGE TRAINING CONSULTANCY

With over 18 years of Human Development training experience, Edge Training has a Level 2 BBEE Scorecard, a National Footprint and Full Accreditation with Services SETA. Together with our BEE partners, we are committed to solving BEE related Skills Development Challenges in a meaningful way. Whether an Accredited Short Course, a Behaviour Changing Workshop or a Learnership, our highly skilled and dedicated team can offer you a solution. We source the learners and manage all the necessary requirements for disabled and unemployed learnerships. Most of our learnerships and Workshops are also offered as online courses.
