

# Managing Personal Finances

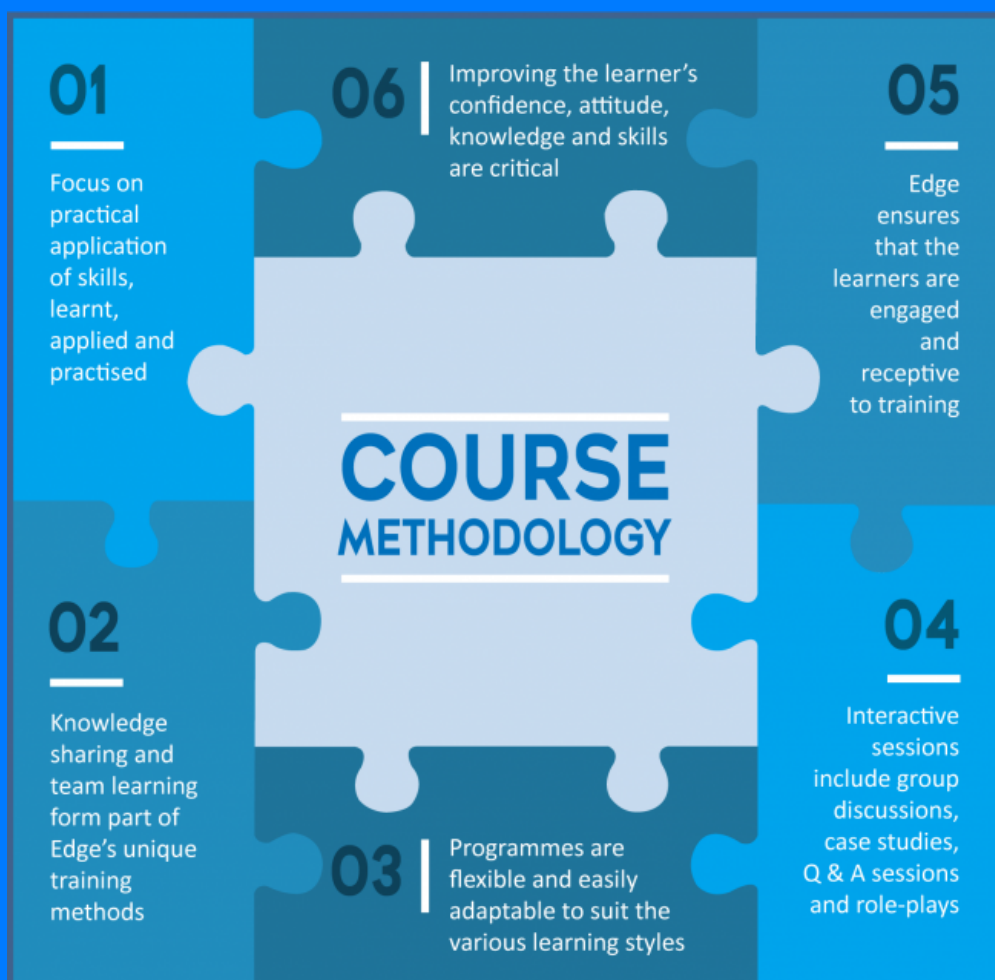

**NQF Level 1 Unit STD - 243189** *Accredited Short Course*

## Workshop Outline

- Understand how to effectively manage your finances
- The importance of good finance and therefore being able to do more with the same amount
- Understanding the simple processes like saving and budgeting
- Learning to control unnecessary expenditure can grow your wealth with the same income
- Master the skills needed to maximise your finances
- Determine the potential ways of moving into your personal financial goals

## Objective

By the end of this course you will be able to effectively manage your finances and this means being able to do more with the same amount of money. Through simple processes like saving, budgeting and learning to control unnecessary expenditure, your wealth can grow without an increase in income. We give you the skills you need to master the management of your personal finances and move into your financial potential.
